FAQ

The best place for all your photos, files, and more iCloud is built into every Apple device.. However, that is the reason I Back up with Time MachineTime Machine is the built-in backup feature of your Mac.. And it works automatically, so all you have to do is keep doing what you love Everyone gets 5GB of free iCloud storage to start, and it's easy to add more at any time.. 7 5 or later; or a PC with Windows 7 or Windows 8 (Outlook 2007 or later or an up-to-date browser is required for accessing email, contacts, and calendars).. It is a useful service that helps you save your data from loss However, we sometimes need the data on iCloud for further use.

We recommend it for everyone Apple hardware, software, and services work together to deliver a seamless experience that just works.

apple icloud
